GET READY FOR YOUR DIVIDEND

For a lot of Aucklanders, spring is their favourite time of year. That's because it's AECT dividend time, when our feathery friend Kenny drops a nice, juicy sum of money into their letterbox.

You've been sent this newsletter because it's time to get ready for this year's dividend.

Even if you've received one in the past, you should still check your details, and sign up for the Direct Credit option. That way you'll get your money instantly when the dividend's issued.

So make sure you don't miss out. Just fill out your details and return it to us before 10 August.

Then in September/October, if you're eligible, a little birdy will pay you a visit with your dividend - usually several hundred dollars - well worth a few moments of anyone's time.

WHAT THE AECT MEANS TO YOU

Recent research shows the AECT really matters, not just to you but to all Aucklanders:

- **89%** of Aucklanders who receive a dividend want the AECT to remain in operation.

- **63%** of Aucklanders say their family needs their AECT dividend to meet the rising cost of living here.

- **78%** of all Aucklanders believe the AECT should remain in place.

WHAT IS THE AECT ALL ABOUT?

The Auckland Energy Consumer Trust (AECT) is a private trust set up in 1993 on behalf of Aucklanders. It owns the majority shareholding of 75.4% in Vector, and every year pays a valuable dividend to more than 318,000 Trust beneficiaries - including you, if you're eligible.

WHO IS THE AECT?

The AECT has five trustees who are elected every three years.

(L-R) Michael Buczkowski, James Carmichael, Karen Sherry, William Cairns (Chair), Warren Kyd (Deputy Chair)

WHERE DID THE AECT COME FROM?

The AECT story started in the 1920s. Back then, power was provided by the Auckland Electric Power Board. In 1993 the government abolished power boards and the AECT was born.

WHAT DOES THE AECT DO?

AECT is the majority shareholder in Vector. Our main role is to protect and manage the investment we have in Vector on your behalf.

Vector provides electricity, gas and fibre optic networks used by over a million Kiwis across the country. And the Trust ensures that Vector remains a stable, profitable and well-run organisation.

Our success as a trust also ensures that more than 318,00 people within the AECT district receive a dividend each year.

YOUR QUESTIONS

WHO IS ELIGIBLE FOR THE AECT DIVIDEND?

Everyone who is an AECT income beneficiary when the dividend roll is struck. You're an AECT beneficiary if you are a Vector electricity customer in the AECT district. This includes Auckland, Manukau and northern Papakura.

The dividend is paid regardless of who your electricity retailer is, as long as your name is on the power bill. In the case of rental properties, this is usually the tenant rather than the owner of the building.

WHEN WILL THE NEXT DIVIDEND BE PAID AND HOW MUCH WILL IT BE?

The dividend is usually paid in September/October. The amount depends on the number of beneficiaries to be paid and financial results from Vector, which won't be known until later in the year. Last year it was \$335.

WHAT HAPPENS IF I MOVE BEFORE THE DIVIDEND IS PAID?

As long as you're a Vector electricity customer and live within the AECT district when the dividend roll is struck, you will still receive the dividend. Your details will be included in the roll we receive from your electricity retailer later in the year. But if you move out of the AECT district before the roll is struck, you won't be eligible for the dividend. Please note, some apartment buildings and residential developments inside the AECT district do not qualify for the dividend because they do not use the Vector electricity network.
